He is buying himself and his lawyer a bunch of bad pr and claims of fraud and wire fraud

especially last friday when he said less than 45 min away snd i scrambled to send him another \$190k

That is classic fraud in the inducement and can only be cured by delivery or return of all money

Should we request refund ? In your mind ??

manfred asked for it.

So manfred since he  
asked for it ? Is the one  
who you should talk  
about it with.

He asked me about it.
